in regards of the alley trash , yesterday morning the guy that was renting the Valencia side Warehouse, came to buy soap to wash his truck, and he told that the trash the big old furniture , belongs to Jose the person that own the store next door, he came with merchandise for his store and ask this guys to storage on this old merchandise on their place. So when they move out, Jose return and pick the good stuff and the rest ask them a long with their trash to placed on the alley, and they ask who give permicion to do that, and the answer was Mr Chavez the Owner allow us to do it , because the city came with the big truck and pick up the trash every week.

Is been tree weeks since this happen and their is more trash and we staring to get mosquitos and small mices so at this point I don't know what to do any more.

Oh Friday KYCC came and the other person that is have the factory on the alley have block booth sides and did not let them go thru.so they back up and left.
